"LIBRARY COPY"

It has been reported that the Nicaraguan opposition has decided to help the Costa Rican opposition because it was felt it would be more advantageous to attack Somoza from Costa Rica. Therefore, all munitions and arms, intended for use against Somoza, were turned over to the Costa Rican opposition, which was to pay for the arms and agree that, after Ulate has assumed power, the arms in question would be made available to the Nicaraguan opposition at a reduced price.
